

567—140.5(455B) Application for permits and renewals by existing hazardous waste facilities. Any person who owns or operates a facility that treats, stores or disposes of a hazardous waste existing on the effective date of the rule listing the waste shall obtain a permit for the facility within six months of the effective date of the rule. Such a person is considered to have a permit until such time as a final administrative determination is made if the person has given the notification described in rule 567—141.12(455B) and has submitted a Part A application; federal EPA Forms 3510-1 and 3510-3. Such a person shall submit, upon request of the department or voluntarily at any time, a Part B application. The submission to the department of the information provided for in 567—subrules 141.12(3) and 141.12(4) constitutes a Part B application.
